"Robyn has equipped us with tools to change the way we think. None of this "think positively and you can do anything stuff." Robyn has the ability to get to her audience's souls. She showed us how we can empower ourselves to enjoy our work, deal with conflict and enhance our lives, both inside and outside work. The investment we made, in times of limited funding, has been the best value for money we could have wished for. The feedback from staff has been overwhelming. We expect this will positively accelerate the cultural change that our leadership team has initiated."

ROBYN'S PROFESSIONAL BACKGROUND: Robyn Moore is regarded as one of Australia's best and most in-demand speakers. For over 30 years she has been working in Education, Advertising and the Communication/Entertainment Industry. She has unique skills with "the Power of the Word" and her entertaining, inspiring and thought provoking presentations totally captivate her audiences at national and international conferences. Robyn literally "sells people back to themselves" so they recognise old habits and behaviours and take responsibility for choices, which create the outcomes they have always wanted in their lives. Robyn's presentations themed around "The Power of the Word" are quite often literally described as "**life changing**".

WHY ARE ROBYN'S TALKS "LIFE-CHANGING"?

Robyn works very closely with her clients. They get to define the outcomes which will most benefit their company, delegates or staff...and Robyn tailors her presentation to generate changes in perception and behaviour which access her clients' desired outcomes.

"The Power of the Word" is no ordinary presentation. It's an opportunity to seize the authorship and personal power necessary to invent a life that is deeply satisfying... professionally and personally. Imagine having the personal power to demand of yourself a breakthrough...in the face of the most challenging circumstances? Enmeshed with humour, powerful stories and insightful distinctions, each presentation is an audacious enquiry into BEING at the edge of one's life...and finding the courage to jump! People can BECOME the leader, professional, business owner, manager, service provider, parent, partner, family member...they always wanted to BE! (OR NOT!) The difference is that at the end of Robyn's presentation...people can clearly see that their life is now "their call" AND...they can also clearly see when they are not being as big as they dare to BE! They simply have more access to CHOICE in the face of the circumstances!

Honourary Positions: Robyn is an Ambassador for the Australia Day Council, the Australian Childhood Foundation and is the National Patron of Make-A-Wish Australia.

"OUTCOMES" ACCOMPLISHED FOR DIVERSE SECTORS, CLIENTS, DELEGATES:

MOTIVATION - INSPIRATION - ENTERTAINMENT:

"The response to Robyn's presentation at our AMP Customer Service leadership day was rapturous Her authenticity, real life examples and ability to 'get' where the audience is at, makes her a high value speaker. She has a love of life that is highly infectious. She moved us, inspired us and entertained us. She was the most consistently highly rated presenter on our evaluation sheet".
Catriona Byrne AMP Communications Service Manager

"You drew on an amazingly wide range of skills from the performing arts, including mime, mimicry, rhetoric and character acting, to engage and captivate your audience. "The Power of the Word" was much more than a fascinating entertainment, it also carried a great, and obviously heartfelt, message that resonated with the theme of our conference and with the mood of the delegates. All delegates, local, interstate and overseas, were fulsome in their praise. Many, when asked to evaluate the contribution of the overseas speakers, wrote instead in praise of your work."

Mick Sheehan (Conference Convener) Australian Secondary Principals Association Conference

"Your presentation was superb. You have touched the lives of all who were present. Congratulations on a very professional approach – it had everything from motivation, good humour and some excellent tips on enjoying and coping with everyday life. Port Augusta has changed forever. Helen O'Sullivan Teaching Australia Canberra

AUDACIOUS LEADERSHIP:

"Excellent! Robyn was fantastic. Her session summed up our theme of the many hats of leadership including the one necessary leadership hat - "audacious leadership". Her session had us laughing and crying and added a depth that had us all thinking. A fabulous final speaker."

Lissa Tardiani WIEL (Women in Educational Leadership) Conference

"Feedback from the delegates was, without exception, extremely positive and nearly all commented that the breadth and depth of your words were not only inspirational but also very appropriate and exhilarating. These comments also reinforced similar ones which followed your presentation to our Region East staff at Port Stephens earlier in the year. There is no doubt that the calibre of your presentation and your effusive and engaging personality played a significant role in making the Conference an outstanding success!"

Shane Fitzsimmons Commissioner NSW Rural Fire Service Management Conference

"Excellent. A brilliant speaker who really 'hit the nail on the head' with what we were trying to get across."

Australian Federal Police

A DYNAMIC OPENING PRESENTATION:

"Excellent!!!!. I believed that she would "start" the convention with a "bang!" I hadn't expected "half a ton of dynamite!!" She discussed with me the message I would like to impart to the audience and from that discussion, her "little note book" and her "gleaning of information" on the Friday night, she fulfilled all my wishes and then added the other 75%! I am most grateful for what Robyn did for us."

Mr Allen Fraser District Governor Lions District (201-N5)

"Robyn Moore was simply amazing! People are still raving about her! An excellent choice and an excellent speaker. She was able to link parks and leisure into her presentation so effortlessly and effectively and her motivation, humour and passion were much appreciated by the audience. I couldn't think of a better speaker to open our conference".

Parks and Leisure Australasian Conference

...or CLOSING PRESENTATION:

"Excellent! 11 out of 10! Extraordinary!!!!Robyn has true potential to make motivational speakers redundant. She is marvelous at what she does. Robyn hit all the right notes with our audience. Highly recommended by Gerry, I nevertheless found it amazing how willing she was to spend so much time prior to the event trying to understand our company & our people. Not just your normal speaker she captivated every single delegate and then held them firmly (and willingly) in the palm of her hand for over 1 hour. She made our delegates laugh, cry, re-evaluate their lives, refocus on what's important, and the best part is that she left a lasting impression on everyone. This alone is a remarkable difference between Robyn and other speakers - she actually achieved a CUT-THROUGH I never would have thought possible if I hadn't experienced it first-hand. I am so glad we placed her as final speaker for the event as she just WOWED everyone."

Samantha Alford Retail Food Group

"Just a note to thank you for your contribution in making our National Conference such a huge success. Your closing presentation was superb in that it delivered the message in such a creative and entertaining manner that we had been attempting to relay all week. CHANGE MANAGEMENT SKILLS:

"Excellent. Robyn was outstanding. She showed an extraordinary ability to totally capture her audience, which comprised of farming men and women aged from 30 to 75 plus teenage children. These drought affected families were totally inspired and entertained by Robyn. There is no doubt laughter is the best medicine and Robyn is a brilliant Dr. So many came to her afterwards and to me saying they had changed their attitude and now had renewed energy to go on coping with the drought. We have never had such positive feedback from an audience and there is much enthusiasm from other groups to have her back to other areas nearby. The best drought assistance ever offered to farmers." **NSW Agriculture (Drought Relief)**

LIFE BALANCE:

"I haven't laughed so much in years. But more importantly, understood the importance of laughter. You had us captivated, teaching us life lessons. Lessons that applied to every day, to help us to focus on BEING. Being in control, responsible, the author of US and the impact that can have on those around us, our loved ones, our work mates, our clients. You showed me how to BE, which will change me forever. And as a natural consequence will impact the success of any future business." **A delegate (Real Estate Principals' PD Day)**

"Excellent. Robyn's objective was to speak about altering the way we think and communicate with one another in order to "get the balance right". Her valuable comments had everyone in the room questioning their own motivations in both life and business. Robyn left a great impression on our members as 49 people attended her value-added "impromptu" workshop in the afternoon, which focused on personal relationships." **Independent Brands Australia Incentive (Fiji)**

I cannot get over your ability to deliver such a relevant and uplifting session incorporating your voices, stories and the important information about how important our role as an EDUCATOR is. I feel privileged to have been part of the presentation and I know I am better equipped to cope with the issues from the tragedy we had to deal with and the ongoing support of staff and students."

Words like, inspirational, exciting and motivating were in most pieces of feedback we received."

"Excellent! Robyn was fantastic. The beauty of her presentation is its simplicity. She doesn't use complicated theories and models to energise and refocus the group, just stories and reflections that bring your focus back to the important things in work and life. I've never seen a speaker elicit such a range of emotions from an audience - from tears to laughter and everything in between. Many people in the group commented that it was exactly what they needed to hear."

PASSION FOR VOCATION:

"Robyn is a very SPECIAL, INSPIRING and DYNAMIC WOMAN who has the gift of touching people's hearts and minds. She has the ability to make people think about themselves, life, and what we can ALL do to make the world a better place for our children. She certainly gave our participants some 'food for thought', and with her inspiring and powerful words/stories, she made them realize how VERY IMPORTANT their jobs are.....caring for and educating our children. I feel they walked away with 'new glasses' as to how they see their role, and the children.....and where their work fits in with the big picture stuff. I also think they left with a new ZEST for life!!!" **Kim Adams Indigenous Professional Support Unit (Bamaga Conference)**
